The Honorable Ilene Shapiro
Executive

Akron, OH 44308

Dear County Executive Shapiro:

I am writing to nominate Maria Miller, System Director of Talent Acquisition for Summa Health to serve on the Local Area Workforce Development Board (WDB).

As the head of talent acquisition for Summa Health, Maria is well suited for this role. She and her staff source and hire over 1,500 employees annually. These hires are possible because of the brand awareness Ms. Miller and her team have established in the marketplace on Summa's behalf.

Ms. Miller has established and nurtured many collaborative relationships in the community which has helped us reach our talent acquisition objectives. She is a tremendous asset to not only my human resources team, but to Summa Health in general and would be an asset to WDB as well. She is already well known in the community and has established relationships with many community organizations including OhioMeansJobs.

Thank you for your consideration of this nomination of Ms. Miller to the Summit-Medina Workforce Development Board. Please contact me at 234-312-5886 or washingtonlo@summahealth.org if you have any questions about Ms. Miller's recommendation for this appointment.

Sincerely,

A handwritten signature in black ink that reads "Lorraine Weaver Washington".
