POLICY LETTER C-16 | YOUTH PROGRAM INCENTIVES

- I. **SUBJECT:** Youth Program Incentives
 - II. **PURPOSE:** This policy governs the terms and conditions associated with the payment of incentives to youth for meeting goals outlined in their CCMEP IOP.
 - III. **EFFECTIVE DATE:** December 15, 2020
-

IV. BACKGROUND

Under the Workforce Innovation and Opportunity Act, incentive payments to youth participants are permitted for recognition of an achievement directly tied to education, training activities, and/or work experiences. Incentives are intended to be used to encourage and motivate youth to reach specific goals and attain positive outcomes. Area 2, through this policy, has guidance and procedures in place governing the award of incentives and must ensure that such incentive payments are:

- a. Tied to the goals of the specific program;
- b. Outlined in the Individual Opportunity Plan (IOP) and tied to a specific service; and
- c. In accordance with the requirements contained in 2 CFR 200.

Incentives are not an entitlement and distribution of incentives will be subject to the availability of WIOA youth funds.

V. AVAILABLE INCENTIVES

For a more detailed guide to youth incentives, including the associated IOP service they are applicable to and the documentation required to award the incentive, please see **Attachments A and B** of this policy.

VI. DOCUMENTATION AND PROCESSING

- a. The incentive is reasonable and necessary;
- b. Payout of the incentive would not negatively impact the youth participant's receipt of public assistance, if applicable;
- c. The IOP must specify the goal that must be met in order to pay out the incentive;
- d. The incentive must be attached to the goal and service within the case management system PRIOR to awarding the incentive;
